Things we do regularly: mail STBA Business Directory to over 10,000 residents in 08088 each March; provide a modern website highlighting our members, and offering consumers downloadable coupons, flyers and brochures, as well as a community calendar; host an Open House each fall to attract new members and provide networking with non-members; support the Boy Scouts Car Show each April; provide (2) 8th Grade Scholarships each June; Participate in the Memorial Day Parade and Vincentown Tree Lighting Ceremony each year; Support historical society Family FunFest.

Other community contributions: Logo Design Contest in 2007 for 4th-6th Graders; raised over \$8,000 in 2004 for flood victims; erected The Towne Clock on Main Street in Vincentown in 2002; donated towards the Vincent Fire Company Emergency Trailer; helped to provide a scoreboard for Memorial Park; and ran the Rural Arts Collection for local artists – prints, keychains, and other items from this collection are available for purchase online at www.STBA.org. Things we do regularly: mail STBA Business Directory to over 10,000 residents in 08088 each March; provide a modern website highlighting our members, and offering consumers downloadable coupons, flyers and brochures, as well as a community calendar; host an Open House each fall to attract new members and provide networking with non-members; support the Boy Scouts Car Show each April; provide (2) 8th Grade Scholarships each June; Participate in the Memorial Day Parade and Vincentown Tree Lighting Ceremony each year; Support historical society Family FunFest.

Other community contributions: Logo Design Contest in 2007 for 4th-6th Graders; raised over \$8,000 in 2004 for flood victims; erected The Towne Clock on Main Street in Vincentown in 2002; donated towards the Vincent Fire Company Emergency Trailer; helped to provide a scoreboard for Memorial Park; and ran the Rural Arts Collection for local artists – prints, keychains, and other items from this collection are available for purchase online at www.STBA.org.
